

## Minutes

Economic Development meeting  
October 18, 2017

Mike Scrivani and David Stockford were present and discussed the plaque that is to be used at the park.

Mike informed the committee that he is moving from a composite plaque to one of solid rock.

This is due to the vulnerability of composites to changing weather.

He has found the correct stone and will contact Ricky Wilcox about acquisition.

Billy and Theresa Ramsdale have offered to deliver to the site. They are not sure when because of other obligations.

David Stockford discussed access to beach from walkway and the possibility of a bike rodeo in the spring.

He also entertained the thought of an instructional piece that includes harvesting from the sea.

Meeting adjourned at 5:50
